

SEED DANCE CO MISSION TRIP

With Dream Center NYC

Dates	07/21/2026 - 07/26/2026
Location	New York City, NYC
Organization	Dream Center NYC

This year, during our SEED dance year, I have the incredible privilege of going on a missions trip to New York City with The Dream Center NYC from July 21-26. While there, we will have the opportunity to serve in a week-long mission full of intentional, exciting and fast-paced tasks. We will be participating in Evangelistic training, intentional prayer for the city, helping with large community events and outreach focused on connecting with the communities throughout NYC, including helping with a VBS.

SEED is an in-studio performance company based in Bloom Dance Studio, Waynesboro, PA, who also focuses on growing in technicality and spirituality through their dance, and has opportunities in performance, assisting, extra classes, and so much more! The goal for SEED during this mission trip is to grow closer to one another through our relationships with Christ as we learn and walk alongside the Dream Center NYC staff in serving the needs of NYC.

My personal goals for this mission trip are to strengthen my relationship with God while serving others, especially by using dance to inspire, teach, and bring joy to children during Vacation Bible School. I hope to build community, share joy, and demonstrate God's love in a creative and memorable way

Ways you can help

First and foremost, I would be so grateful for your prayers—for safe travel, unity among our team, and for God to prepare the hearts of those we will serve. Your prayers are powerful, and I will carry them with me every step of the way.

If you feel led, I would also deeply appreciate your support financially. The total cost of the trip is around \$2,000 which covers travel, food, lodging, and ministry expenses. I am trusting God to provide, and any amount you feel called to give would be such a blessing.

Thank you for considering walking alongside me in this journey—through prayer, encouragement, or giving. I'm so grateful for your support in whatever way God leads.

More than anything, I'm excited to see how God will work—both in the lives of those we serve and in my own heart. I look forward to coming back and sharing stories of what God has done.

Thank you so much for being part of this journey with me. Your love, prayers, and support mean the world.

With gratitude,
Ginny
